Re: Petition for Revision to NCEES *Model Law*

Dear President O'Brien:

This will acknowledge receipt of your correspondence dated August 22, 2011 in which the Rhode Island Society of Professional Land Surveyors petitions NCEES to amend the NCEES *Model Law* to eliminate the term "Engineering Surveys."

I have discussed your requests with NCEES President Jans who has directed that I place this matter on the agenda of the next meeting of the NCEES Board of Directors. The NCEES Board is scheduled to meet November 11-12, 2011. I will contact you subsequent to this meeting to advise you of any actions taken.

If you have any questions in the interim, please let me know.

Sincerely,

Jerry T. Carter  
Executive Director
